

SELECTION POLICY

The vision of EDEN BIATHLON is the holistic and balanced development of our athletes making it fun to participate. The selection policy is a guideline and the final decision remains with the selectors. Only registered athletes in good standing will be considered for selection to EDEN Teams.

- The following teams may be selected: Merit [A Team], B Team, Development [C Team] and Invitational teams
- Interprovincial Teams: will be selected at a predetermined trial meeting
- SA Championship Team: will be selected at the EDEN Championships meeting
- Invitational Teams will be selected by the selectors as per invitation
- School Teams representing EDEN Biathlon at interprovincial and national competitions will be named by the relevant schools within the selection criteria as per SA Biathlon rules

BASIC REQUIREMENTS

- In order to be considered for selection to represent EDEN Biathlon at the SA Championships, the athlete must participate in the EDEN Biathlon Championships, 4 league meetings of which the 2 trial meetings are inclusive in the season running up to the designated SA Championships.
- Only 5 athletes per age group may be entered for the national championships but another 10 athletes may be selected on merit spanning all age groups to a maximum of 3 per age group
- A minimum of 2000 points will be required to be selected. The selectors however have the right to waive this requirement where needed to strengthen the team
- If an athlete wants to be considered for a EDEN Team but cannot attend programmed meetings as per official date list as a result of illness or competing in another sport code for their club or school, a medical certificate in the case of illness and a letter of proof of participation at the specified meetings, must be submitted to EDEN Biathlon prior to the designated meeting. In such cases the previous performances of that athlete will be taken into consideration.
- The conduct of any athlete to be considered needs to be impeccable. A code of conduct will be supplied to all athletes and will be available on the official EDEN Biathlon website.

THE SELECTOR'S DECISION WILL BE FINAL
