

NoMADS VIRTUAL BIATHLON CLUB

NoMADS VIRTUAL BIATHLON CLUB, OUDTSHOORN

The Covid Pandemic has changed sport administration to a large extent. Many children now embarked on home- and internet schooling while some schools don't entertain biathlon as school sport. The Eden Biathlon constitution requires all athletes to be affiliated to a club/school. Keeping up with the new trends, Eden Biathlon established a virtual club - NoMADS Virtual Biathlon Club - to accommodate these athletes. It is irrelevant where in the Eden area or town they reside, they can apply! This will give these athletes an "identity". The official colours will be neutral, black pants and swimming gear and white top. A basic affiliation fee of R50 per athlete will be payable. How can I join?

- request affiliation form from Dave van der Walt (davesusvdw@gmail.com) or retrieve from the website www.edenbiathlon.co.za ;
- return completed form to same address;
- confirmation will follow.

We hope this will cover this specific gap!
